

DUPIXENT[®]
(dupilumab)

Medication statement

To whom this may concern,
I have prescribed Dupixent for my patient:

(complete name)

This medicine can be self-administered and so it contains a needle. It is supplied in the form of a single-use Dupixent pre-filled syringe. Dupixent should be stored between 2° C and 8° C and so must be carried in the cabin in its travel pack and placed in the refrigerator during long flights.

If you would like me to confirm this information, please contact my office directly.

Yours sincerely,

Signature:

Dupixent is subject to additional monitoring. This will allow quick identification of new safety information. If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the national reporting systems below:

In the UK: Through the national MHRA Yellow Card scheme reporting system www.mhra.gov.uk/yellowcard
In Ireland: Website (www.hpra.ie), email (medsafety@hpra.ie) or tel (+353 16764971)

By reporting side effects, you can help provide more information on the safety of this medicine.
